

SNOWSOUND®
Acoustic Panels & Fibers

Price Modern

Price Modern, Baltimore, MD

"We have noticed a dramatic difference in the acoustic comfort of the room. The room is full of hard materials including brick, glass and steel. The Snowsound Fiber curtain has made conversations more comfortable and confidential for the occupants of the room as well as those attending by conference call."

- Don Kammann,
Vice President, Marketing & Workplace Strategy

Product installation:

For the large window in the conference room, Snowsound Fiber 1, color white was installed.

Installation was completed February 2019.
