## TECHNICAL INFORMATION:

- The curtain will either be a flat ceiling mounted track or wall mounted track. For suspended tracks, please reach out to our technical team.
- The curtain opens and closes manually.
- Due to the hand-made fabrication of Snowcurtains, allow for a potential variance of approximately 1/2 inch on height.

## TERMS:

- Due to the custom-made nature of Snowcurtains, a minimum 60% deposit is required with all orders to initiate production.
