

**CLIMBING (WALL MOUNTED)**

Climbing is an organic system, freely combinable, which goes beyond the rules of regularity. Formally and conceptually linked to nature, it creates unique and different surfaces. The volumes, inspired by pebbles and stone walls, create a particular and irregular play of light, increasing the acoustic performance.

- Single material and 100% recyclable
- Eco friendly - Greenguard Gold
- Class A sound absorption with (ISO 354)
- Class A fire and smoke safety (UL 723/ASTM E84)
- CAL 133, 117 pass
